

Local Theatrical Costumer Preparing to Move!

A PORTION OF SALES TO BE DONATED TO COVER MEDICAL EXPENSES FOR OUR DEAR FRIEND, J. LEWIS

HAVE A HEART, HELP ANOTHER HEART!

This is the first of 2 or 3 sales before we leave! We aren't going for a couple years, but it will take me that long to deal with all the stuff! I've been here over 50 years and was a costumer and prop builder for over 35 years. A little of my work is still left at www.whimseywear.com. This is a big job and we have years of stuff to sort through. I have also been listing some things on eBay: drskraft. Bring a shopping bag!
